

GREENLAM HIGH-PRESSURE LAMINATES

Sky Valley is pleased to introduce the Greenguard-certified Greenlam family of laminates. With an NAF substrate (no added formaldehyde) and an edge banding that contains no chlorine, heavy metals or formaldehyde, Greenlam helps support a clean air indoor environment. Greenlam is available on our Telford door style in Euro frameless cabinetry.

L-R, Telford is shown in:
Crossover Wenge (781)
Thai Almond Silk (5551)
Brooks Walnut (5018)

What sets Greenlam apart?

- Greenguard-certified and eco-friendly
- Meets stringent requirements for Greenguard's Children & Schools Certificate program
- Easy to clean and extremely durable
- Natural wood look replicates a variety of exotic wood species and features 43 colors, textures and wood grain patterns
- Product uses 40% recovered material from lumber operations
- Edge tapes contain no chlorine, heavy metals or formaldehyde
