

## ITALIAN GLASS COLORS

Sky Valley's aluminum frame doors with Italian Glass inserts are an interesting and unique addition that works well in any room. The collection of glass styles are presented in three groups – matte, gloss and texture – any of which are sure to stand out as a stunning focal point or a complete kitchen design. Inserts are available in our A04 and A05 aluminum doors with a natural aluminum finish in our Euro frameless cabinetry.

Glass samples were laid over a photo of a vase to show the transparency of each style

## Care & Cleaning

---

Italian Glass doors are a striking, easy-care addition to your home. Wipe spills or splatters promptly with a soft cloth, and clean occasionally with a mild glass cleaner such as Windex®. Avoid straight alcohol, strong cleaners and abrasive scouring powders that contain mica or pumice, as these may scratch the glass.

## Aluminum Door Styles

Italian Glass inserts are available in Euro frameless cabinetry in our A04 and A05 styles only. Ask your authorized Sky Valley distributor about aluminum and stainless steel doors with other insert options.
